

### Pilot Training Programs Cost

Calgary-Okotoks Flying School (C-OFS) appreciates the opportunity to work with you to help you meet your flying goals. Earning and keeping your trust is one of the pillars of our business.

We offer various training programs to meet your needs. The cost of registration for each program along with the frequency of payments is listed below.

**Private Pilot License (PPL)** – \$17,500 Canadian plus 5% Good and Service Taxes (GST)

Payment Terms:

- i) \$500 plus 5% GST non-refundable registration fee
- ii) \$6,000 CDN plus 5% GST deposit for flight training. This fund will be deposited into your training account and will be used as the first installment for your PPL flight training.
- iii) \$6,000 CDN plus 5% GST as the second installment after your first solo flight
- iv) \$5000 CDN plus 5% GST as the third installment prior to the cross-country flight

**Commercial Pilot License (CPL)** – \$65,000 Canadian plus 5% Good and Service Taxes (GST)

Payment Terms:

- v) \$500 plus 5% GST non-refundable registration fee
- vi) \$7,222.24 + GST 14 days prior to first planned training session.
- vii) \$7,222.22 + GST by the first day of every month for the next eight consecutive months.

C-OFS reserves the right to adjust the payments and the frequency as it deems necessary.

Upon receipt of your deposit and registration fees, we will email you your Letter of Acceptance stating the program you have been enrolled in and the start date of your training.

Contact us if you have any questions or concerns about our Pilot Training Program Cost policy.
